FUTURE OF THE FESTIVAL HALL

The final design which is at RIBA Stage 2 provides the following facilities and alterations. Please answer questions below. You may feel better informed to make these decisions by attending one of our presentations at 10:30am, 12:30pm & 2.30pm.

Would you like to see the extension replaced (bearing in mind that it was put up temporarily 40+ years ago, is no longer weatherproof, and houses the Kitchen, Meeting Room & Toilets)?	Yes/No
---	--------

Would you like to see the air ventilation system improved in the Festival Hall?	Yes/No
---	--------

Would you like to see better access for disabled people, including the public, performers and staff, including lift access to all levels, a level stage and improved toilet facilities, including a 'Changing Places' facility?.	Yes/No
--	--------

Would you like to see a managed catering facility open to the public in the Festival Hall Complex during the day and to operate during events?	Yes/No
--	--------

Would you like to see improved and more comfortable seating?	Yes/No
--	--------

Would you like to see side balconies introduced in the Festival Hall?	Yes/No
---	--------

Would you like the technical installations to be modernised to provide state of the art facilities and equipment which are easier and less time consuming to operate?	Yes/No
---	--------
