

## Footfall Survey Confirmation

### To whom it may concern

East Hampshire District Council is conducting a footfall survey in the town today.

The survey will provide some evidence on footfall within the town centre to feed into the implementation of the re-opening of the high street safely and the social distancing pop-up scheme.

If you have any further query regarding the survey or the surveyors' work, you can contact Beatrice Hubert-Price at East Hampshire District Council on 01730 234 317 (direct line) or on her mobile on 07775 803 633.

Kind regards
