The Town Mayor welcomed everyone to the meeting and advised that Cllr Ms Z Parker had resigned as a Town Councillor due to starting a new job. The Town Mayor said that she would be missed and thanked her for her work for the Town Council, in particular her empathy and commitment.

C 1520 APOLOGIES FOR ABSENCE

Apologies for absence were received from Cllr J Matthews and County Cllr R Oppenheimer.

C 1524 PUBLIC REPRESENTATION

A representative from Petersfield Climate Action Network (PeCAN) addressed the meeting. He thanked the Town Council for all of its support and help in getting PeCAN launched and established as a

charitable organisation and gave an update regarding PeCAN's projects and plans, it hopes to help the town to become a Centre for Green Excellence which may unlock additional funding. PeCAN is keen to work with the Town Council to help it achieve the aims set out in its Climate Emergency Strategy. The PeCAN representative asked whether the Town Council's budget for the new financial year included funding the role of the climate change co-ordinator as PeCAN is now in need of that support. It was confirmed that the budget did include funding for a contractor for this role for the forthcoming financial year and that the Town Council could now start the process for the role to filled.

C 1525

COUNTY COUNCILLORS' REPORTS

Members received the report from County Cllr R Oppenheimer (*see appendix A*) and also a report from County Cllr R Mocatta regarding the breakdown of Council Tax spending for Hampshire County Council and East Hampshire District Council (*see appendix B*). The data is an interesting insight and was prepared for reasons of transparency and was not intended to suggest that the Town Council's precept was not good value for money. It was acknowledged that the Town Council website was accessible and clearly displayed information in terms of staff numbers and Council activities. In addition, the Town Council is responsible for a wide range of facilities, including the Festival Hall (which distinguishes it from other similar sized towns or parishes).

C 1526

DISTRICT COUNCILLORS' REPORTS

Members received the report from District Cllr B Bentley (*see appendix C*). He highlighted the supporting communities fund of £1 million for local projects and schemes aimed at supporting wellbeing and to help the recovery from the Covid-19 pandemic. The deadline for eligible businesses to apply for coronavirus business grants is the end of this month.

Planning Committee

It was noted that the minutes of the Planning meeting on 16th March will be amended in relation to the discussion regarding advice from the Petersfield Society to the Planning Committee. It was important for the Planning Committee to be independent whilst also balancing the input of the helpful technical advice from the Petersfield Society.

C 1529

RETROSPECTIVE PLANNING CONSENT FOR HEATH POND BANK STABILISATION PROJECT

Members received and noted the planning decision notice (*see appendix E*). Plans are being prepared to fulfil the planning conditions, particularly in relation to the planting of a new hedge on the western side.

REVIEW OF THE DANIEL DAY LEWIS AWARD

Members received and considered the report regarding the proposals for the award (*see appendix F*). The working party were thanked for their hard work, in particular the input from Mr Philip Young, and for making such sensible suggestions for the future of the award. It was agreed that it would be useful to consult with local drama organisations and schools regarding the proposals.

RESOLVED: to approve the recommendations from the working party for the future of the Daniel Day Lewis award

C 1531 **COAT OF ARMS FOR THE TOWN**

Members received and considered the report regarding the town's coat of arms (*see appendix G*). The Twinning Association has asked for the coat of arms in order to provide it to the mayor of Barentin. It has not been possible to find out from local sources whether there is a definitive coat of arms for the town and it was agreed that the bottom left image on the first page was the closest to a coat of arms although the spelling of Petersfield and the appropriate colours are unclear.

RESOLVED: to contact the College of Heralds to ask for confirmation of the town's Coat of Arms, including the spelling of Petersfield and the appropriate colours

C 1532 **DEDICATION OF THE ALLIES' STONE, WAR MEMORIAL ANNIVERSARY AND ANNIVERSARY OF THE ROYAL BRITISH LEGION**

RESOLVED: that a more detailed plan for the event to mark the 2021 anniversaries will be considered at April's Full Council meeting

C 1533 **CLIMATE EMERGENCY STRATEGY**

The Climate Emergency Strategy requires review, particularly now that PeCAN has been established. It was agreed that it would be appropriate for the Town Development Committee to carry out the review and to also create a climate action plan, particularly as it has members from different tiers of local government and also PeCAN representatives.

RESOLVED: to invite the Town Development Committee to prepare of a more detailed climate action plan, as detailed in the Climate Emergency Strategy, to be approved by Full Council

C 1534 **EPIDEMIC AND SERIOUS INFECTIONS EMERGENCY POLICY**

The Epidemic and Serious Infections Emergency Policy is due to be reviewed. Members agreed that there were quite a few changes required and that the policy should be more general and less Covid focussed. Given the current uncertainty regarding whether the legislation to allow meetings to be held via Zoom will be extended

after 7th May, it was agreed that the review of the policy should be deferred until after that date.

RESOLVED: that a working party is to review the Epidemic and Serious Infections Policy and bring back its suggested amendments to the July Full Council meeting. Membership of the working party consists of: Cllrs L Farrow, P Shaw and P Clist and the Town Clerk

There being confidential items to discuss it was

C 1536 RESOLVED: that the public be asked to leave the meeting

RESOLVED: to approve the recommendations from the Staff Panel meeting on 16th March 2021:

1. Appointment of Countryside Officer position:
that the Countryside Officer role be appointed in partnership with the South Downs National Park Authority with salary costs being the responsibility of the Council and support and advice being provided by the South Downs with the details (as above) being confirmed in writing.
That the job description be amended by the Clerk and shared with Staff Panel members for approval prior to the role being assessed for salary by the Council's employment support consultants.
That the offer of the South Downs to provide an individual to sit on the interview panel be accepted.
That the Staff Panel be given delegated authority to undertake the appointment process.
2. Appointment of replacement Grounds Operative:

that the Staff Panel be given delegated authority to undertake the appointment process for a new Receptionist/Administrator for 37 hours per week in the SCP range 3-7.
4. Priority of appointments:
that the appointment process for all three positions be commenced simultaneously with the emphasis on the Grounds Operative and Countryside Officer positions with a possible delay in arranging interview dates for the Receptionist/Administrator role if this should prove necessary from a resourcing perspective.
5. Replacement Halls Supervisor position:
that a replacement Halls Supervisor be appointed once the Festival Hall was no longer needed as a vaccination centre and that the Town Clerk ascertain through Ellis Whittam the potential for the use of a temporary contract in view of the possible longer term staffing needs for the building post refurbishment and that the Staff Panel be granted delegated authority to undertake the appointment process at the appropriate time.
6. Re-opening of Town Hall post Covid-19 pandemic:
that the Town Hall be re-opened to the public on an appointment only basis initially once government restrictions allow greater public access to the building plus restrictions on attending work offices and travel are lifted.

There being no further business the meeting closed at 8.04 p.m.

TO
ALL PARISH COUNCILS
IN PETERSFIELD HANGERS**

1 MARCH 2021

1. Supporting the Census this month

Census day for England and Wales is 21st March 2021. I would be very grateful for Councillors' support with raising awareness of the Census and encouraging participation. By accurately recording our population in East Hampshire we can ensure that we get a fair allocation of resources in a wide range of areas, from school places to mobile signals.

Every 10 years the census gives us a picture of all the people and households in England and Wales. For the first time, there is a "digital first" approach. This means people can complete their census where and when they want to online. Paper forms are available for those who need them.

Everyone will receive a 16-digit code in the post which they can use to submit their Census response at www.census.gov.uk. There is a process for requesting a new code in the event that someone does not get a letter for whatever reason. The new code can be sent by text. It would be great to ensure that everyone in our community knows that they need to look out for their code, go online and complete the questionnaire in the week ending 21 March.

2. Consultation on Walking and Cycling improvements to Petersfield

In January of this year HCC was awarded £3.8m for Active Travel measures and they are proposing to spend some of that in Petersfield. A consultation is underway which invites public comment on the proposals. Here is a link:

<https://www.hants.gov.uk/News/22022021PetersfieldATFPR>

I am very conscious that Parishioners from across Petersfield Hangers Division use the shops and markets in Petersfield on occasion, and so I hope that the current consultation will be of wide interest. The consultation ends on 21 March 2021.

3. Supporting Families programme receives funding boost

The Ministry of Housing, Communities and Local Government awarded £2m of funding to HCC on 12 February which will ensure that our successful Supporting Families programme continues for another year. The funding announcement from MHCLG is particularly significant this year, when the adverse impacts of the coronavirus pandemic are being keenly felt, especially by families who were already struggling to cope under normal circumstances.

The HCC Supporting Families programme brings together a wide range of Hampshire agencies including local councils, the Police, voluntary sector, Health and Criminal Justice. Between January 2015 and December 2020, the Programme engaged with 7,696 vulnerable families with multiple and complex needs. To date, positive outcomes have been recorded for 1,923 families, who have accepted and engaged with support and achieved sustained changes within the family as a result, such as sustained employment or improved school attendance. Independent evaluation by Solent University demonstrated that between 2015-19, the support given to families to get back on their feet successfully translated into savings of £27million to the public purse.

4. Revamp of the South Downs Partnership

Following the launch of its new Partnership Management Plan for the period 2020-25, the South Downs National Park Authority is relaunching its South Downs Partnership. If you are interested, or anyone you know is interested, please could you let me know by 3 March 2021 so that I may put your name forward.

In line with the Glover Review of Protected Landscapes, the SDP will have a crucial role to broaden and deepen the participation of individuals, communities and organisations in in the National Park and to bring its benefits to a much wider audience. As Julian Glover said in his report:

“We need to reignite the fire and vision which brought this system into being in 1949. We need our finest landscapes to be places of natural beauty which look up and outwards to the nation they serve. More must be done for nature and natural beauty. More must be done for people who live in and visit our landscapes.”

The diverse membership of the new SDP will increase the breadth of experience and skills available to the SDNPA and help to expand and develop the networks which will be needed to make the long-term outcomes of the National Park a reality. Members of the South Downs Partnership will:

- Be champions and advocates for the National Park,
- bring with them, or rapidly build up, strong networks in particular sectors or parts of the community – both inside and outside the Park
- use their own expertise and their networks to broaden and deepen the participation in the NP and help deliver its Partnership Management Plan,
- provide constructive advice and feedback to the Authority and to the rest of the SDP.

SDP Members will be expected to attend at least four meetings a year plus sub-groups. This will require preparation beforehand and follow through afterwards. Members will receive payments for all reasonable expenses incurred in delivering the role. Members will be appointed for a three or four-year term, at the end of which they may be considered for reappointment.

HCC and EHDC Update, March 2021

Council tax

Both HCC and EHDC approved new budgets at the end of February

<https://www.hants.gov.uk/News/25022021HCCbudgetdecisionFeb2021>

<https://www.easthants.gov.uk/budgets-and-spending>

The headline figure for Petersfield residents is that the council tax charge for a Band D property will be £1,937.04 for the 2021/2022 year.

There is a great deal behind this figure.

- There are 51,407 Band D equivalent houses in EHDC. 5,793 of these are in Petersfield.
- The council tax goes to HCC, EHDC, Hampshire Police, Hampshire Fire & Rescue and the parish.
- The total council tax paid by EHDC residents is £91.697m
- Petersfield residents pay just over £10m (£10,334,000) in council tax.
- The comparison with the neighbouring parishes is set out below. These are all in £000s, and are not split into payments per household.

£'000s	Tax base

EHDC Council tax collection £000s	51,407	69,423	7,012	11,642	3,621	4,436	91,797	4.8%

The Petersfield precept of £888,054 compares to £735,270 in Alton and £484,730 in Whitehill. It is 8.6% of the total council tax bill. The East Hants parish average is 4.8% of the total council tax charge. Petersfield has the highest town/parish charge in East Hampshire

The bulk of the £91.7m paid by EHDC residents goes to HCC (£69.4m) followed by the Police (£11.6m), then EHDC (£7.012m) and the fire service (£3.621m). Petersfield residents spend more on the town precept than on the EHDC precept.

Breakdown of HCC spending

- The total council tax paid to HCC by Petersfield residents is £7.8m. Of this, £1.1m goes to the Environment and Transport team. The biggest item is £461k for waste disposal/recycling, followed by £199k for highways maintenance and then £145k on concessionary bus fares -the cost of bus subsidies.
- A total of £4.5m is spent on adult social services, with the two largest items being adult care and help for those adults with learning disabilities. HCC's care homes cost another £488,000.
- 44% of Petersfield's council tax goes on adult social services.

- There is another £2.4m spent on children's services, including fostering, residential care, guardianship and safeguarding. The children's services budget is about 50% of the adult social care budget.

EHDC

- EHDC costs the Petersfield Council tax payers £790,000. This is 10% of the HCC cost.
- The main costs are waste collection (filed under commissioning) costing £419,000, and IT/corporate services (called Programme Redesign) costing £322,000
- Planning and community engagement costs another £320,000
- The EHDC property income saves council tax payers £415,000 per year, shown in the budget below as a negative income.
- The combination of *Corporate services* and *Regeneration and planning* is a cost of £1.28m but the combination of government grants, new homes bonus, and allocation to reserves means that the overall cost of EHDC to the Petersfield council tax payers nets out at £790,000.

Other Information

- 1 All members need to be aware of their Disclosable Pecuniary Interest Forms and consider whether there have been any changes since it was last written. If there is a need for any change to be made please contact me and I will supply a fresh document for completion.
- 2 There has been an incidence of graffiti at Petersfield Town Football Club with material being sprayed onto the main stand. The culprits, both girls, have been identified from the CCTV within the football ground and the incident dealt with by the Police, involving the two girls and their parents. The club are satisfied with the outcome. Cllr Clist has been in contact with the club and can provide any further detail.
- 3 Members are reminded that the consultation being run by Hampshire County Council on the proposed walking and cycling improvements to the town centre closes on 21st March 2021.

It can be accessed via <https://www.hants.gov.uk/News/22022021PetersfieldATFPR> or a paper copy of the survey can be obtained by contacting: 0370 779 7200.

- 4 Members may recall that I advised that one of my SLCC Clerk colleagues represented the sector at the re-convened Playground Stakeholder Roundtable held 10 February 2021, which reviewed the operation and usage of childrens play areas during the pandemic and lockdowns and considered the pathways towards general facilities re-opening. A summary of the comments made and experiences across the country were:

- It was important to have play areas open for children's mental and physical wellbeing
- Difficulties understanding the logic of allowing play areas to be open but insisting on BMX/Skateboard facilities/MUGAs/Green Gyms to remain closed
- Increases in vandalism including fencing, gates and locks being damaged by people attempting to access closed facilities, drug usage, damaged signage, damaged play facilities
- Signage has been ripped down
- Public failing to following the 2m social distancing rules
- Some councils reporting 65% increase in park usage (both in terms of number and dwell time) resulting in considerable wear and tear
- Parks and Play Areas becoming destination locations
- Parks are being used for socialisation – people meeting up for exercise, parents meeting up at play areas so that their children could meet with their school friends
- Some Council closing parks and have halted carrying out play inspections and maintenance
- Huge cost pressures on councils (at all tiers of local government) – parish council sector reporting that Government funding directed to principal councils is not being passported to parish councils)
- Insurance companies giving mixed messages about risk
- Public Intolerance/Public pressure to close play facilities when schools are closed

The Ministry for Housing Communities & Local Government will arrange a follow-up meeting to focus on forward planning in the spring and will be using feedback from the meeting to review activity to ensure that outdoor playgrounds are COVID secure.

5. I am advised by Hampshire Highways under Operation Resilience that carriageway surface repairs are due to start on Dragon Street potentially on 18th March and last for up to 5 days with traffic light control of traffic. Work would be between the hours of 9.30a.m. – 3.00p.m.
6. Citizens Advice East Hampshire has written thanking the Council for its continued support of their work during the current difficult period. It is proposed to re-open their offices for emergencies and appointments sometime around mid April when hopefully most of the advisors will have been vaccinated. In the meantime a full telephone, email and chat service is available to residents.
7. I have received confirmation from the South Downs National Park Authority that the Council's bid for Section 106 monies totalling £4,023 towards the new town centre map boards has been approved.

8. A request has been received from Petersfield Youth Theatre to utilise the recently approved Community Grant of £1,500 for a different purpose than that originally requested. The group originally asked to use these funds for a community project in the Festival Hall but with the building being in constant use as a vaccination centre until probably at least July, this means the building would not be usable for this reason. Instead the group has asked if the funds can be used for their Easter project based at Bedales School for the hiring of marquees and other similar equipment. The request has been discussed with the Town Mayor and members of the Grants Panel, all of whom were in agreement with this request so permission has been granted.

NOTES TO APPLICANTS / AGENTS

Fees for discharge of planning conditions

Fees apply for the submission for any consent, agreement or approval that are required by a planning condition. The fee chargeable is £116 per request or £34 where the related permission was for extending or altering a dwelling house or other development in the curtilage of a dwelling house. **The fee is payable for each submission made regardless of the number of conditions it is seeking to discharge.**

A fee is payable for conditions related to planning permissions and reserved matter applications only. A fee is not required for conditions attached to listed building consents and conservation area consents. The requirement to make this charge is set out in Government Circular 04/2008.

You may wish to use the standard form to accompany your submission, or set out your requests in writing, clearly identifying the relevant planning application and condition(s) which you seek to discharge or seek approval for. Forms & guidance notes are available on the National Planning Portal website, <https://www.planningportal.co.uk/applications>

Non Material Amendments

There is an application form for the submission of Non Material Amendments to approved plans. Forms & guidance notes are available on the National Planning Portal website, <https://www.planningportal.co.uk/applications>

The fee chargeable is currently £234 per request, or £34 where the related permission was for extending or altering a dwelling house or other development in the curtilage of a dwelling house.

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within **6 months** of the date of this notice.

Appeals must be made on a form obtainable from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, BRISTOL, BS1 6PN, Telephone Number: 0303 444 5000, Email: enquiries@planninginspectorate.gov.uk or from the Planning Inspectorate website: <https://acp.planninginspectorate.gov.uk/>.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

As from 6 April 2010 if an enforcement notice has been served in the previous 2 years you will have only 28 days in which to lodge the appeal following the refusal. Equally, if an enforcement notice is served after the refusal it will truncate the period for lodging the appeal against the refusal of planning permission to 28 days after the enforcement notice has been served.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Review Report for The Sir Daniel Day-Lewis Annual Award

1. Introduction

1.1 A Working Group (WG) was set up and tasked with TORs to address concerns over this Award in terms of its purpose and implementation. The Award has 3 years to run under current arrangements and agreements. Members will be aware of this Award but current details can be viewed at <https://www.petersfield-tc.gov.uk/events/sir-daniel-day-lewis-awards/>

1.2 The WG consisting of Cllr Mrs Farrow, Mr Philip Young, Cllrs Deane, Lees and Shaw have now concluded their review as detailed in the TORs less the invitation to drama organisations which can be followed up by Council Officers if so desired.

1.3 This Report should be read in conjunction with the Preliminary Report submitted to Full Council on 21 January 2021 and which gave full details of the thinking behind these recommendations.

2. Key Areas

2.1 The recommendations are based upon the five pillars as under. Other subsequent recommendations are included towards the end of this document.

- **Purpose:** What is this Award actually for
- **Eligibility:** Who are the target individuals we wish to consider
- **Notification:** How drama organisations can be included in order for their members to be considered for the Award.
- **Judging Panel:** Ways in which PTC can implement a fair judging criteria
- **Reporting:**

3. Recommendations

3.1 These are as follows for the three years left on current arrangements.

- **Purpose:** That PTC return to the central aim of an Award for Acting – that is, an individual role in a performance of a play or musical.
- **Eligibility:** Any actor who is 18 years of age or under, performing as part of a theatre group or school in the locality of Petersfield.
- **Notification:** Currently the Council receives nominations about specific individuals with supporting documentation. The Working Group recommends that this process should be replaced with actual attendance at performances by a more formal Panel of Judges. The Panel to include councillors and other appropriate members of the community. Organisations would be asked to invite two members of the panel to a performance, preferably via a notification form published on the Council's website.
- **Judging Panel:** The WG recommends a Panel to consist of the incumbent Mayor, one Councillor and two members of the community. At least two should have attended each performance on invitation. The Panel would be open to and be allowed to approach organisations for any further information deemed necessary as part of their considerations. Appointment of Cllrs to be made at the Annual Mayor Making Meeting along with other Cllr responsibilities.
- **Reporting:** The judging panel would make recommendations in January/February of each year in order for the Award to be made at the Annual Town Meeting (usually March/April).

4. Further Recommendations

4.1 The following additional matters were discussed:

- **Communication with Drama Organisations:** The WG is of the opinion that PTC should liaise with drama organisations to seek their views in order to promote understanding, interest and smooth administration of the Awards process. (See para 1.2)
- **Arrangements for post 2023:** It is recommended PTC 'down, tests and adjusts' for period 2021-2023 with a further review based on experience within this period in which to go forward. It is understood PTC wish to continue to promote such talent thus a relaunch could be considered. Indeed it is possible that PTC could consider sponsoring an Award (such as "Young Performer of the Year") or similar in conjunction with organisations such as Hometown Festivals. On current research this is possible and would entail a cost of circa £750.00 plus VAT.
- **Historical Roll of Awards:** The WG recommends that a Roll of Historical Awards be included either in Book Form or on the PTC Website in order to maintain interest and keep alive.

Dear Kathryn,

I am not sure if you are the correct person to ask, but if not can you please forward this request.

Huguette Laporterie is the Presidente of the Barentin equivalent of our Twinning Association. On behalf of the mayor she is asking for a high definition photograph of the Petersfield coat-of-arms. It can be sent direct to the email address in the body of Huguette's email, or to her, or to me for forwarding.

I hope you are keeping well.

Best wishes

Update on Proposals to Mark 2021 Anniversaries - Military

1. Events - Background

1.1 Members will recall we had three in mind

- Stone Dedication 75th Anniversary (PTC)
- Pennant for RBL – 100th Anniversary (RBL)
- Unveiling of War Memorial – 100th Anniversary (PTC)

1.2 It should be noted that we should be back to routine for the organisation for Armed Forces Day (week ending 26 June 2021) and Remembrance Sunday (14 Nov 21) as well as Armistice Day (11 Nov 21) but has included additional potential for the latter.

2. General Comments

2.1 There is a consensus that to organise anything for the first date of 8 May 21 previously proposed is perhaps still too premature thus possibly restricting attendance and we are keen that the opportunity for those who missed out in 2020 is carried forward to 2021.

2.2 It was also considered that the year is likely to be further dominated by the release or otherwise of pandemic restrictions. It is not intended that these anniversaries should be deemed as 'mass' gatherings that could overshadow any such post pandemic (or otherwise) arrangements.

3. Stone Dedication

3.1 Having discussed this with key individuals and organisations (some comments still awaited) that this should be carried out following the Armistice Day gathering at the War Memorial on 11 Nov 2021.

3.2 The nature of the event is still being worked on but again will depend on national situation at the time and also the availability of organisations/individuals. Council will be kept informed.

4. Pennant for RBL

4.1 This will be organised by the Petersfield Branch of the RBL but a formal dedication is proposed to take place on Armistice Day (11 Nov 21) at the War Memorial.

5. War Memorial Unveiling – 100th Anniversary

5.1 This is planned to be acknowledged by a prayer of re-dedication and will help shape the Remembrance Day Address. <Ends>
