## FINANCE REPORT

As with the Clerk's Report to Council, this report is not an item of debate, but seeks to inform councillors of all matters financial, including income and expenditure against budget, the level of balances held, proposed movements of deposits, future plans as well as seasonal issues, such as the Audit and Budget setting processes. If councillors consider a matter included in the report is in need of debate, the subject can be added to a future meeting's agenda for this purpose. I will always endeavour to answer any questions raised from the content of the report, but please bear in mind that if further investigation is necessary, answers will need to be given outside the meeting.

### Bank Accounts

	<u>£</u>	<u>Rate</u>
Lloyds Current Account	24,001.57	
Lloyds 30 Day Account	205,149.32	0.01%
Lloyds Ticketsource	2,186.54	
Cambridge & Counties 31 Day Account	1,587,742.03	0.9%
Public Sector Deposit Fund	64,475.74	varies

**Total** **1,883 555.20**

Business Credit Card 42.99

### Investments

Local Authorities Property Fund	2,205,750.13	varies 720,689 units approx. 4.5%
Rathbones Investment Management Ltd	3,000,000.00	varies but approx. 3.5%

**Total** **5,205,750.13**

Town Mayor's Charity Account 226.80

The larger than normal level of funds in the 30 Day account represent the sum required to pay for the first installment of the Festival Hall RIBA 3 costs which are due to be paid in the next few days. Notice of a further withdrawal of £160,000 has been given to cover the next installment and provide sufficient cashflow until the first installment of the Precept is received late in April. The annual rate of return on the Rathbones investment portfolio has far exceeded the anticipated rate of return this year **yielding 6.43% after payment of management fees** to the investment managers.

### Finance & General Purposes Committee

	<u>£</u>	<u>Budget</u>	<u>% Budget</u>
<b>Income</b>	212,391	194,000	109.48
<b>Expenditure</b>	418,684	555,448	75.38

Income reflects the interest received from the bank deposits and investments plus solar panel receipts. It has held up better than expected as the Local Authorities Property Fund quarterly income was not as badly affected by Covid-19 issues as expected and the dividend received for Q3 exceeded expectations. Expenditure is lower than expected for the time of year although there are some consultancy sums that will need moving to Earmarked Reserves at the year end.

### Public Halls Committee

	<u>£</u>	<u>Budget</u>	<u>% Budget</u>
<b>Income</b>	82,413	208,965	39.44
<b>Expenditure</b>	181,768	330,964	54.92

The Festival Hall complex year to date income is 15.4% (2020: 91.9%) and Avenue Pavilion income is at 26.0% (2020: 85.5%) reflecting the decimation wrought by the effects of Covid-19 on the hire of both these halls. Income received is from the Nursery and Petersfield Town Juniors for the rental of the pavilion at Love Lane plus commercial lease income at the Town & Festival Hall. With the latest Covid-19 situation being as it is, it is considered unlikely that much, if any income will be generated from the Avenue Pavilion for the rest of the financial year. Some income will be received from the Festival Hall with its use as a vaccination centre and it is reflected in the above figures but this will be modest when compared to normal hire income. Expenditure has been lower than usual due to the lack of booking activity with a significant drop in utility costs. Cleaning equipment costs are also low as a result of some bulk purchases being made at the end of the last financial year. Any unused portion of the Festival Hall Maintenance Fund will be carried forward into Earmarked Reserves for next year.

### Grounds Committee

	<u>£</u>	<u>Budget</u>	<u>% Budget</u>
<b>Income</b>	93,780	97,200	96.48
<b>Expenditure</b>	343,095	362,123	94.75

Income is mainly from the lease of property and concessions on The Heath, some of which is received quarterly in advance plus the work that the grounds team undertake that has generated £19,794 in the current financial year to date. Income from the Heath is where they would be expected to be at this time of the year. Expenditure is higher than expected and I have asked the Finance Officer to check whether all transfers and journals have been fully completed for all the capital equipment and projects undertaken on some of the account codes where the figures would suggest otherwise. I have made some judgments on this in calculating these figures and have tried to be cautious so hopefully the expenditure figure quoted is an overestimate rather than an underestimate. The revenue budgets that are slightly overspent on year to date basis are vehicle maintenance, equipment hire, materials purchases and litter collection which reflects where the

pressure has been on the grounds team during the Covid-19 pandemic. These overspends are not of current concern and can be compensated for by underspends elsewhere in the budget.

## **Overall**

	<u>£</u>	<u>Budget</u>	<u>% Budget</u>
<b>Income</b>	388,584	500,164	77.69
<b>Expenditure</b>	943,547	1,248,535	75.57

If everything was on track the year to date figures would show an 91.67% spend. The figures within this report are bound to be in need of an update once all the bank reconciliation work has been completed for January.

Income will fall well short of budget this year as a result of the Covid-19 pandemic (2020: 87.33%) which was reported to committee by the separate report produced in November. Encouragingly the projected income shortfall in that report was £120,000 and with the final month of the year still to go, income received has already exceeded the predicted shortfall sum. Expenditure is generally a little lower than expected for time of year which reflects the lower than usual demand on many of our routine cost headings as well as lower building use and energy demands as a result. (2020: 78.38%). Having said that, members will be aware of the need to transfer some substantial funds to Earmarked Reserves this year as outlined in the budget setting and Precept calculation documentation as well as the need to ensure an underspend for the financial year to cover the loss of income identified in the November report. My assessment is that this outcome should just about be achieved.

This report aims to provide an overall summary of the position of the Council financially with any significant anomalies or variances being reported for your attention and potentially, action. It also demonstrates that councillors are fulfilling their role in monitoring the Council's finances and ensuring that good governance is being followed.

## **1 INTRODUCTION**

- 1.1 The purpose of this policy is to set out the policies for the management of cash and investments held by the Town Council which are not required for day to day operational purposes.
- 1.2 The policy has been produced with reference to and complies with the guidance issued by the Secretary of State on Local Government Investments (3<sup>rd</sup> edition) under Section 15(1) of the Local Government Act 2003.

## **2 OBJECTIVES**

- 2.1 The general policy objective for this Council is prudent investment of its balances. The Council's investment priorities are:-
  - (i) the security of its reserves;
  - (ii) the liquidity of its general investments;
  - (iii) the desire to generate a good yield from the investment of its Capital Reserves to generate sufficient income to substantially support its capital expenditure budget on a year by year basis;
  - (iv) in addition to requiring a good yield to support its Capital Expenditure plans, the overall value of the investment should grow in line with inflation as a minimum requirement in order to maintain the capital value of the original investment..
- 2.2 The Council will aim to achieve a reasonable return on its investments commensurate with appropriate levels of security and liquidity.
- 2.3 Adequate liquidity is required to ensure that day to day activities can be funded and at the same time, it is desirable to ensure that an appropriate return on cash deposits is achieved. This document sets out the general principles and policies to be adopted in the management of the Council's cash and investments.

## **3 FINANCIAL POLICIES**

When considering financial plans and preparing the annual budget, the Council will aim to:

- 3.1 Maintain a working bank account balance of approximately 1 – 3 months net anticipated expenditure.
- 3.2 Surplus monies will be placed within suitable bank accounts or funds that are accessible immediately or with a specified period of notice in order to generate a suitable level of interest return.
- 3.3 Maintain a General Revenue Reserve, not earmarked for specific purposes, to cushion the impact of unexpected events or emergencies or to smooth out cashflow when undertaking works prior to the receipt of approved grants or Developers Contributions; and maintained at between 3-6 months of gross revenue expenditure.

- 3.4 Maintain Earmarked Reserves, for both capital and revenue expenditure, to meet known or predicted liabilities, identified individually in the Council's budgets.

#### 4.0 INVESTMENT POLICIES

- 4.1 All investments will be Specified Investments which means that:-

- (i) All investments will be made in sterling and any payments or repayments will also be made in sterling, with UK registered institutions only;
- (ii) All investments will be short term investments which will not exceed a maximum of 12 months;

- 4.3 Credit Ratings will be monitored and reported to the Finance & General Purposes Committee at six-monthly intervals; if the rating falls during this period the Responsible Finance Officer, in consultation with the Town Mayor and Chairman of the Finance & General Purposes Committee, will decide on any appropriate action.

## **POLICY FOR THE PROVISION OF GRANT AID**

*Date of review: July 2017  
(amended November 2020 to include Exceptional Grants)  
Minute number: F1186  
Date of next review: March 2021*

### **1.0 General**

- 1) Petersfield Town Council makes grants to organisations each year. The sum involved is set by the Council during its usual budget process. The grants are to assist local organisations and clubs with projects or costs. All organisations or clubs receiving these grants must fulfil the Council's Grant Service criteria (see below)
  - 2) Grants are divided into 3 categories, termed Perennial, Community and Capital.
  - 3) Perennial Grants: These are a special category of grants given annually to a set of organisations which are judged to contribute to the whole community and which are not usually capable of covering their full running costs; these grants may be used as part of these.
  - 4) Capital Grants: These are grants in excess of £3,000 that are awarded to community groups, organisations or clubs that are seeking to undertake capital projects of varying descriptions.
- 
- 1.1 The Council sets its grants budget during the autumn prior to the financial year in which it will be spent.
  - 1.2 Grants may be made under any of a range of powers held by the Town Council, including Section 137 of the Local Government Act (1972).
  - 1.3 Applications for grants will fall into 1 of 3 categories; community, capital or perennial.
  - 1.4 All applicants will need to support their application by submitting a copy of their constitution (or rules) plus audited accounts for the previous year(s).

- 1.5 Applicants whose organisation works with young people under the age of 18 will also be expected to submit a copy of their Child Protection Policy.
- 1.6 Grants made under Section 137 will be recorded separately, as a requirement of audit, and there is a limit of funds that can be allocated under this heading in any financial year. The Secretary of State may review this limit from time to time.
- 1.7 Section 137 can only be used when there is no other existing legal power of expenditure and when members consider that the expenditure would be of benefit to all or part of the town, commensurate with the level of expenditure incurred.

## **2.0 Community Grants**

- 2.1 These are awarded on a year to year basis to assist organisations or clubs with special projects or one off costs which cannot be met by their normal income. These grants are not intended to assist with the actual running costs and the Council expects to receive a report from the organisation on the effectiveness of the awarded grant.
- 2.2 Grants shall not be awarded to an individual.
- 2.3 The Council is under no obligation to enter into ongoing commitments from year to year for the provision of grants.
- 2.4 All grant applications will be considered on their own merit and any award made is purely at the discretion of the Town Council.
- 2.5 Copies of any estimates should be attached to the application where applicable.
- 2.6 The Council will not normally expect matched funding or funding from other sources to be obtained by applicants. However, when the residency of members of an organisation is spread over a number of different communities, groups are encouraged to apply for funding to the relevant parish councils at the same time. All applicants are required to disclose any funding applications made to other organisations. Failure to do so may lead to any grant award being withdrawn.
- 2.7 Successful applicants will be expected to report back to the Council on the effectiveness of the project funded by the grant. In the event that a successful applicant fails to provide a report, the Council may use this information in the consideration of any future grant request.
- 2.8 Failure to provide the financial information specified in the application and/or under point 1.4 of this policy may mean that the application may not

be considered.

- 2.9 Applications received from organisations that hold unallocated reserves in excess of one year's operational requirements will not be eligible for a grant.
- 2.10 A Grants Panel of three Councillors, appointed by Council, will consider and report on all applications.
- 2.11 Grant applications will be considered twice each year. Applicants need to ensure their fully completed applications are submitted prior to 1<sup>st</sup> June or 1<sup>st</sup> January with all supporting documentation. Applications received beyond these cut-off dates will be considered at the next meeting of the Grants Panel.
- 2.12 The Grants Panel will recommend to Council the level of any grant to be awarded at their meetings to be held in July and February. The level of grant allocated will not normally exceed £1,500.
- 2.13 Council will normally pay grants to all successful applicants either during the month following their approval or at the Annual Town Meeting, usually held in April.

#### **Community Grants -Exceptional Circumstances**

- 2.14 Such Grants applied for under exceptional and unprecedented circumstances are eligible for consideration to assist organisations or clubs operating within Petersfield for the benefit of the community that have been severely affected by such an exceptional circumstance. Grants will be considered to assist with actual running costs of the organisation and it will be expected that the organisation shall demonstrate through its application the extent of the financial impact suffered as a result of the exceptional circumstance.
- 2.15 Grants shall not be awarded to an individual.
- 2.16 All grant applications will be considered on their own merit and any award made is purely at the discretion of the Town Council.

## POLICY FOR THE PROVISION OF GRANT AID

*Date of review: July 2017*  
*(amended November 2020 to include Exceptional Grants)*  
*Minute number: F1186*  
*Date of next review: March 2021*

### 1.0 General

- 1) Petersfield Town Council makes grants to organisations each year. The sum involved is set by the Council during its usual budget process. The grants are to assist local organisations and clubs with projects or costs. All organisations or clubs receiving these grants must fulfil the Council's Grant Service criteria (see below)
  - 2) Grants are divided into 3 categories, termed Perennial, Community and Capital.
  - 3) Perennial Grants: These are a special category of grants given annually to a set of organisations which are judged to contribute to the whole community and which are not usually capable of covering their full running costs; these grants may be used as part of these.
  - 4) Capital Grants: These are grants in excess of £3,000 that are awarded to community groups, organisations or clubs that are seeking to undertake capital projects of varying descriptions.
- 
- 1.1 The Council sets its grants budget during the autumn prior to the financial year in which it will be spent.
  - 1.2 Grants may be made under any of a range of powers held by the Town Council, including Section 137 of the Local Government Act (1972).
  - 1.3 Applications for grants will fall into 1 of 3 categories; community, capital or perennial.
  - 1.4 All applicants will need to support their application by submitting a copy of their constitution (or rules) plus audited accounts for the previous year(s).

- 1.5 Applicants whose organisation works with young people under the age of 18 will also be expected to submit a copy of their Child Protection Policy.
- 1.6 Grants made under Section 137 will be recorded separately, as a requirement of audit, and there is a limit of funds that can be allocated under this heading in any financial year. The Secretary of State may review this limit from time to time.
- 1.7 Section 137 can only be used when there is no other existing legal power of expenditure and when members consider that the expenditure would be of benefit to all or part of the town, commensurate with the level of expenditure incurred.

## **2.0 Community Grants**

- 2.1 These are awarded on a year to year basis to assist organisations or clubs with special projects or one off costs which cannot be met by their normal income. These grants are not intended to assist with the actual running costs and the Council expects to receive a report from the organisation on the effectiveness of the awarded grant.
- 2.2 Grants shall not be awarded to an individual.
- 2.3 The Council is under no obligation to enter into ongoing commitments from year to year for the provision of grants.
- 2.4 All grant applications will be considered on their own merit and any award made is purely at the discretion of the Town Council.
- 2.5 Copies of any estimates should be attached to the application where applicable.
- 2.6 The Council will not normally expect matched funding or funding from other sources to be obtained by applicants. However, when the residency of members of an organisation is spread over a number of different communities, groups are encouraged to apply for funding to the relevant parish councils at the same time. All applicants are required to disclose any funding applications made to other organisations. Failure to do so may lead to any grant award being withdrawn.
- 2.7 Successful applicants will be expected to report back to the Council on the effectiveness of the project funded by the grant. In the event that a successful applicant fails to provide a report, the Council may use this information in the consideration of any future grant request.
- 2.8 Failure to provide the financial information specified in the application and/or under point 1.4 of this policy may mean that the application may not

be considered.

- 2.9 Applications received from organisations that hold unallocated reserves in excess of one year's operational requirements will not be eligible for a grant.
- 2.10 A Grants Panel of three Councillors, appointed by Council, will consider and report on all applications.
- 2.11 Grant applications will be considered twice each year. Applicants need to ensure their fully completed applications are submitted prior to 1<sup>st</sup> June or 1<sup>st</sup> January with all supporting documentation. Applications received beyond these cut-off dates will be considered at the next meeting of the Grants Panel.
- 2.12 The Grants Panel will recommend to Council the level of any grant to be awarded at their meetings to be held in July and February. The level of grant allocated will not normally exceed £1,500.
- 2.13 Council will normally pay grants to all successful applicants either during the month following their approval or at the Annual Town Meeting, usually held in April.

#### **Community Grants -Exceptional Circumstances**

- 2.14 Such Grants applied for under exceptional and unprecedented circumstances are eligible for consideration to assist organisations or clubs operating within Petersfield for the benefit of the community that have been severely affected by such an exceptional circumstance. Grants will be considered to assist with actual running costs of the organisation and it will be expected that the organisation shall demonstrate through its application the extent of the financial impact suffered as a result of the exceptional circumstance.
- 2.15 Grants shall not be awarded to an individual.
- 2.16 All grant applications will be considered on their own merit and any award made is purely at the discretion of the Town Council.
- 2.17 Successful applicants will be expected to report back to the Council on the effectiveness of the grant. In the event that a successful applicant fails to provide a report, the Council may use this information in the consideration of any future grant request.
- 2.18 Failure to provide the financial information specified in the application and/or under point 1.4 of this policy may mean that the application may not be considered.
- 2.19 The Grants Panel will recommend to Council the level of any grant to be awarded at their meeting following receipt and consideration of the application. The level of grant allocated will not normally exceed £1,000.

### 3 Perennial Grants

- 3.1 The Finance & General Purposes Committee will consider annually all requests for inclusion as a Perennial Grant organisation. Successful applicants will be deemed by the Council to be contributing to the whole community and be organisations that are judged to be generally unable to cover their full running costs.
- 3.2 Organisations receiving Perennial Grants will be subject to annual review and will be expected to report back to the Council annually on the effectiveness of the awarded grant.
- 3.3 Perennial Grant clients may exceptionally apply for an additional grant towards a new project provided it can be demonstrated that this new venture can be sustained within the organisation's ongoing running costs in future years.

  - ☐ Current constitution
  - ☐ Budget for the current financial year
  - ☐ Cash flow projection for the current year

- 4.3 All applications will need to include a current certificate for public liability insurance to demonstrate adequate cover is held.
- 4.4 Applications must be for capital or infrastructure expenditure and include written quotations dated within the previous 12 months.
- 4.5 The Council would welcome applicants having approached other grant making bodies or Councils to support the capital project.
- 4.6 All applications should be accompanied by signed accounts for the two previous financial years, a business plan, a cashflow forecast, an organisational chart and minutes demonstrating that the expenditure has been approved by the organisations governing body/committee. The business plan should be for a minimum of 2 years for grants up to £10,000 and for 5 years for grants in excess of £10,000.
- 4.7 The Council will accept no liability for any ongoing maintenance costs of the asset funded or project undertaken.
- 4.8 In evaluating each application, the Council will expect the applicant to demonstrate a significant impact to the community from the capital project being proposed, both in the short and long term.
- 4.9 The Council reserves the right under certain circumstances to impose a legal charge over the asset being financed where an application is in excess of £10,000. Legal fees in such circumstances would be payable by the applicant. The charge would be called in should the organisation cease to exist or cease to provide the facilities for which the funding was originally sought within a prescribed period
- 4.10 Any grant is repayable in full if proof of the expenditure is not submitted within 6 months (or other period if agreed by Council) of the grant being paid.
